This document will help you understand how to change the color of the banner of the calendar. Follow the steps below:

1. Open the Photoshop file "Calendar.psd"

2. In order to completely change the color of the banner, you will need to make changes to 1 layer:

Color Shape Layer - Expand the folder "Calendar" >> "Banner" >> "Colors" and double click the shape layer "Blue, Green, etc…" and change the *"Color Overlay"*:

Other Info: The font used for the calendar banner and the numbers is "Blue Highway" which can be downloaded for free at Dafont.com: http://www.dafont.com/blue-highway.font

That's all, ENJOY!
